**PAJARO VALLEY WATER MANAGEMENT AGENCY
NOTICE INVITING BIDS**

HARKINS SLOUGH FACILITY 2022 RECOVERY WELLS

The Pajaro Valley Water Management Agency (PV Water) is soliciting Bids to drill three (3) new production wells at the Harkins Slough Facility – Recharge Basin, Watsonville, CA 95076 (36°53'19.90"N, 121°49'5.00"W).

Summary of Work

The Work includes the furnishing of all materials, equipment, tools, labor and incidentals as required by the Bidding Documents for the above-stated project. The Work to be performed consists of construction of three (3) production wells intended to improve PV Water's recovery yield of infiltrated slough water and help improve the technical understanding to the site hydrogeology. The approximate siting for the new wells are shown on Plate 2 of the Bidding Documents.

All Work shall be completed within **forty-five (45) working days** from the Notice-to-Proceed effective date.

Bidding Documents

The Bidding Documents are entitled PROPOSAL for HARKINS SLOUGH FACILITY 2022 RECOVERY WELLS and contain all construction specification and requirements. The Bidding Documents may be obtained by calling PV Water at (831) 722-9292 and requesting a copy, or online at <https://www.pvwater.org/media-items/notices/>.

Each Bid must be submitted on the prescribed Bid Form and accompanied by Bid Security as prescribed in the Instructions to Bidders. The Successful Bidder will be required to furnish the bond(s) prescribed in the Bidding Documents. In order to Bid and perform public work, the Bidder and Subcontractors shall hold or obtain such licenses as required by State Statutes, and federal and local Laws and Regulations. Bids will be accepted only from Bidders who hold an active California Contractors' License, Class C-57 at time of award. Failure to possess specified license shall render Bid nonresponsive.

Payment for the Work accomplished will be made monthly, but part of the amount earned will be withheld to ensure performance under the Contract. Substitution of securities for monies withheld is permitted by Contract Documents as an option open to Successful Bidder.

The Successful Bidder shall pay not less than the prevailing rate of per diem wages as determined by the Director of California Department of Industrial Relations. A copy of such prevailing rate is available online at: www.dir.ca.gov/dlsr/DPreWageDetermination.htm and said wage rates at the project site.

Deadline

Sealed Bids for construction of the HARKINS SLOUGH FACILITY 2022 RECOVERY WELLS will be received at the office of the Agency until **Wednesday, October 5, 2022 at 10:00 AM**. Bids will then be publicly opened and read. Any bids received after the specified time will not be considered. Bids can be mailed or delivered to 36 Brennan Street, Watsonville, CA, 95076, to the attention of Brian Lockwood. PV Water reserves the right to reject all Bids or any Bid not conforming to the intent and purpose of the Bidding Documents.
